Dewitt Custom Concrete

To: Whom it may concern

Re: Reference and Recommendation

Maddox Electric Company had the privilege of working with Dewitt Custom Concrete in the building of our new office, warehouse, and training facility.

Dewitt Custom Concrete takes great pride in the quality and service they provide on behalf of their clients.

They also personify the experience, reputation, and integrity clients and subcontractors look for in a Contractor.

Sincerely,

A handwritten signature in blue ink, appearing to read 'J. Randy Maddox'. The signature is stylized and somewhat abstract.

J. Randy Maddox
Executive Vice President
